---

## TERMS, ETC.

**Terms** are cash or satisfactory reference from unknown parties. Accounts due first of each month, unless by special arrangement.

**Shipments usually** direct from Highlands Nursery, from Pineola, N. C., freight station. New special freight rates. Special express rates connecting with Norfolk steamers. Rates from our Rhododendron fields in Pennsylvania and from Nursery in Salem, Mass., on request.

**Packing** charged at cost only; our export shipments reach the most remote countries in perfect condition.

**Send foreign remittances** by Postal Money Order, drawn on Boston, Mass., postoffice, or by New York or Boston Exchange. An American dollar equals 4 shillings, 4 marks or 5 francs.

**Claims** must be made on receipt of goods. All shipments travel at consignee's risk.

**Shipping** begins in August, when we send out large Rhododendrons, Kalmias and other Evergreens, and Bulbs and Herbaceous Plants; general stock going out in October and November, and in spring, from about March 1 to May 15. Give shipping instructions, unless you wish to leave it to us. We use our best judgment, but assume no risk.

**A Certificate of Inspection** is sent out with every shipment.

**Strictly hardy stock** only is offered in this catalog, unless specially noted.

We publish a beautifully illustrated descriptive catalog.

**We make low prices** on large lists of nursery stock desired, and are glad to estimate.

**HARLAN P. KELSEY, Prop.**

# KELSEY'S HARDY AMERICAN PLANTS

The Only Large Stock Ever Offered  
of the True

## Rhododendron catawbiense

### CAROLINA RHODODENDRON

Do not confuse this with the common so-called "catawbiense seedlings" imported from Europe, which is in reality a half-hardy, poor-flowered hybrid with little catawbiense blood in it. The true species grows only in the highest Southern Allegheny mountains, and is the finest of all Rhododendrons, considering its extreme hardiness, color of flower, and remarkable texture of foliage, which is a deep shiny green, far superior to that of the better known Rhododendron maximum.

For massing and producing a broad-leaved evergreen effect, there is no plant equal to it in the latitude of the northern United States, where strictly hardy plants must necessarily be used. Unlike R. maximum, it is a free bloomer, the large trusses being a bright red-purple color, in marked contrast to the muddy purple of the common half-hardy hybrid noted above. All plants offered below are heavy clumps. Packing is done in boxes, or the larger sizes in crates, and is charged at cost. These clumps often have 30 to 50 stems, and are bushy to the ground. We offer both collected and transplanted clumps.

We have magnificent fields for collecting this grand Rhododendron, with reasonable freight rates. Parks, cemeteries and nurserymen should write us for special prices in car lots.

### PRICES OF RHODODENDRON CATAWBIENSE

Nearly all clumps over 1 foot are heavily budded

Note specially prices of Rhododendron and Kalmia clumps at Salem Branch will be 25 per cent above these rates

#### NURSERY-GROWN

Bushy plants with balls and extra furnished, diameter of clumps corresponding to height

	Per 10	100	1,000
3 to 6 inches.....	\$0 60	\$1 50	\$30 00
6 to 9 inches.....	1 00	8 00	70 00
9 to 12 inches.....	1 50	12 00	100 00
Clumps, 6 to 9 inches.....	2 00	18 00	
Clumps, 9 to 12 inches.....	3 50	25 00	
Clumps, 1 to 1½ feet.....	5 00	40 00	
Clumps, 1½ to 2 feet.....	11 00	90 00	
Clumps, 2 to 3 feet.....	20 00	150 00	
Clumps, 3 to 4 feet.....	35 00	300 00	

Some extra clumps, 3 to 5 feet high, at \$1 to \$15 each. These prices are for stock growing at nursery in North Carolina. Add 25 per cent to get Salem prices.

#### COLLECTED

All bushy clumps with fine balls, diameter corresponding to height

	Per 10	100	1,000
1 to 1½ feet.....	\$3 00	\$25 00	\$210 00
1½ to 2 feet.....	6 00	50 00	420 00
2 to 2½ feet.....	9 00	70 00	600 00
2½ to 3 feet.....	15 00	120 00	950 00
3 to 4 feet.....	25 00	225 00	1,800 00
4 to 5 feet.....	40 00	350 00	

We offer some large clumps with fine bushy tops, thin-foliated at bottom, for use in center of large masses, 3 to 6 feet high, at 75 cts. to \$10 each, both nursery-grown and collected.

Do not compare the many-stemmed clumps offered above with the single-stemmed "bushy" half-hardy Rhododendrons offered by importers. There is no comparison.

# KELSEY'S HARDY AMERICAN PLANTS

## Rhododendron maximum

THE GREAT AMERICAN ROSE BAY

## and Rhododendron punctatum

### PERFECTLY HARDY IN THE LATITUDE OF QUEBEC

The use of large native *Rhododendrons*, *Kalmia* and *Leucothoë*, for producing immediate, finished, broad-leaved, ever-green effects is so well established as to scarcely need comment. There is no other possible way to obtain the results to be had by the use of these magnificent hardy evergreens. We sell both collected and nursery-grown clumps in any quantity. Our facilities and long experience are approached by none, and the quality of stock we handle cannot be duplicated. We have over 100,000 *Rhododendrons* and *Kalmias* growing in our Nurseries, fine bushy plants with balls.

Our nursery-grown stock is at Highlands Nursery, in N. C., and Salem, Salem Branch, while we collect ear-load lots from special sources in the **Pennsylvania** and **Carolina Mountains**. Prices per ear-load of *Rhododendron maximum* vary with size and grade.

Freight rate from our Pennsylvania fields to Boston, New York, Philadelphia, Buffalo and similar points is from \$20.00 to \$40.00 per ear. Number of plants to the ear varies from forty or fifty to several hundred, according to size and grade.

It is always best to have us make a special estimate where large quantities are desired, and it is cheaper and more satisfactory to buy by the plant, and have ears packed to the utmost limit.

### PRICES BY THE PLANT

#### RHODODENDRON MAXIMUM

All are bushy and with balls, and the larger clumps usually budded and all well furnished, diameter corresponding well to height.

#### NURSERY-GROWN

	Per 10	100	1,000
3 to 6 in.....	\$0 40	\$2 50	\$18 00
6 to 12 in.....	75	5 00	40 00
1 to 1½ ft.....	1 75	12 50	100 00
1½ to 2 ft.....	3 00	20 00	180 00
Clumps, 0 to 12 in.....	3 00	20 00	
Clumps, 1 to 1½ ft.....	3 50	30 00	
Clumps, 1½ to 2 ft.....	7 00	00 00	
Clumps, 2 to 3 ft.....	12 50	115 00	
Clumps, 3 to 3½ ft.....	30 00	250 00	

Some extra clumps, 3 to 6 ft., at \$3.50 to \$10 each. These prices are for stock growing at Nursery in North Carolina. Prices for stock growing in Nursery at Salem, Mass., 25 per cent above these prices.

#### COLLECTED CLUMPS

	Per 10	100	1,000
1 to 1½ ft.....	\$3 50	\$30 00	\$225 00
1½ to 2 ft.....	5 00	40 00	350 00

4 to 5 ft.....	30 00	200 00	1,600 00
5 to 6 ft.....	50 00	400 00	

Some magnificent clumps, 4 to 6 feet, perfect specimens, from \$0 to \$15 each. If you want something extra, we have it.

#### RHODODENDRON PUNCTATUM

The smallest Alleghanian species, and very rare. A graceful shrub, with rose blossoms borne in greatest profusion in June. Beautiful for rocky slopes and cliffs, as it stands exposure unusually well. One of the finest species ever introduced.

	Per 10	100
3 to 6 in.....	\$0 60	\$5 00
6 to 9 in.....	1 25	10 00
9 to 12 in.....	2 00	18 00
Clumps, 0 to 12 in.....	4 00	30 00
Clumps, 1 to 1½ ft.....	8 00	

Nursery-grown only

# KELSEY'S HARDY AMERICAN PLANTS

## KALMIA LATIFOLIA

All are well furnished and bushy and lift with fine balls, the larger clumps usually budded. Diameter corresponds well to height.

NURSERY-GROWN			
	Per 10	100	1,000
